

I WANTED HIM TO STOP

HE WOULDN'T STOP
HE DIDN'T STOP

(一)

When I was 13,
My dad touched me, he thought
it was my mom lying beside him.
My mom forced me to sleep with
my dad during those years.

(二)

When I was 14,十四
Besides all the isolation by everyone in the school 反
I walked into “太妹” (Taimei) Problem Girls group

At that hotel
He raped me, I thought it was the way to
Watch the film

I cried,
so loud.
The pain allowed me
to scratch him back
So bad

He told me that is the pleasure girls should have. “之The first time I saw that much 的血 through my vagina, pouring into the toilet, like flooding, in red. Just like the ”红领巾"红领巾"(Honglingjin0, when I was one of the RED Pioneers. I was told by the school it was the是 real blood of soldiers from the war, it was fresh as fuck。

The moment I still keep it in my mind,
To memorise the death of my pleasure
about sex, with myself, in my bed

After then, I became a slut, a real slut
I gave people chances to rape me

I thought It was revenge and progress

At the same time, people hate me more,
They wished I could just kill myself in a really ugly way,
I can see it in their eyes

When I was 19,
Dating apps and the internet make everything stupid.
I learnt how to edit selfies and videos, for attention.
I felt cheap about myself, but what else could I have?
Only those jellyfish with dicks Would fly around me

“蒼蠅不叮无缝的蛋“
”Bad people can influence only those who are vulnerable“

That time I brought
my cat with me
It was in his car,
He raped me

I was shocked how could he do that in front of my kitten?
He complained I was too fat, and I lied about my weight.

(四)

Another car,
Drove to my university
Stopped around trees

At midnight

I feel it was snowing
The city hardly snows

It was near summertime
We still eat hotpot every FIVE AM
To celebrate stranger's birthdays.

I lived in a three rooms flat,
On the eighth floor, without an elevator
I paid 300 RMB (33 pounds) per month
My flatmates were not at home mostly

I got the chance
Inviting strange man come
to rape me in different rooms.

Sometimes living room or bath

(六0

It about empathy
They're too fragile
And not good in bed
I want to shout :STOP

All the time
they always fast
When I hesitate

To all the men who think they have big dicks

我想走了，我想去死
02:28 08/06/2017

I want to go, I want to die
I'm tired of this raping game

(八)

I did something bad when I was young
Maybe it was my dream

I forced a boy to cuddle me tight to make me feel his lower body
Maybe I was jealous about something I don't have but he does

I dreamt about "friends" and "family"
and said they felt shame for me
I make them vomiting

I dreamt about exams
I always cheat
Still failed

(九)

People you trust most
They do sexual harassment too

(十)

A few months ago
I thought people from here
polite caring well educated
It is not always like that

I still feel they treat me
like treating prostitution
I'm too weak compared to them
Maybe I'm too sensitive
Like my mom said

I was in Lido once,
many people in fancy dress
Taking photos, I was crying
After watching *A Noiva*

At night, a hotel
An old man who
doesn't speak English

He gave me a drink
Then I couldn't remember
how those things happened

The pool people drinking, laughing
I didn't talk much to him
I could not stand properly

He wanted to take me to his room,
I dragged him to the toilet, raped him.
I asked for help, and nobody cared

(Eleven)

**When I say no
You should stop**

I didn't report the old man,
I don't believe there is justice
for Asian female
